

## APPLICATION ADVISABLE ANTLERLESS LICENSE

The private land antlerless deer license quota for the following DMUs sold out quickly in 2007. This year the demand for these licenses is expected to be high and exceed the quota. It is anticipated that leftover licenses will not be available for these DMU's. For the best opportunity to obtain an antlerless license in these DMUs, properly completing an application is advisable.

There are no antlerless licenses for Roscommon County this year.
